From our table to yours...

...thank you for your support!

Dear friends and supporters,

(Short on time? Skip to the boldface type at right...)

2017 was another year of steady growth at market. Winter Market continues to be a success and we are proud to have become Kingston's only year-round farmers' market! With your support of local farmers and eaters, together we are building a sustainable food system which increases access to fresh healthy foods outside of the traditional growing season. We invite you to help us keep this momentum going strong with our 2018 sponsorship package.

- **Be seen supporting the shop-local economy**
- **Be heard supporting local artists and entertainers**
- **Be noticed supporting the growth of young minds**
- **Support healthier choices for your community**

Our 2017 sponsors included:

Black Dog Catering, Corcoran Excavation, Friendly Fires, Go Green Baby, Kingston Community Credit Union, Janati Yoga, School, Making Dreams a Reality, IPC Investment Corporation, Loyalist Area Scouts, Mackinnon Bros. Brewing, Minotaur Games & Gifts, Podium Inc., Raw Dog Feed, Kingston Integrated Health Centre, Sigrid's Natural Foods, Tara Natural Foods, Varsity Properties and Verde Environmental Alternatives, with more each year!

All sponsorship funds received support the development, costs and promotion of the farmers' market including: live entertainment, music, games and arts activities. In turn, we offer you the benefits as described at right

We are available to answer any questions you have. Contact Jolene at mcfm.marketing@gmail.com or by phone at 613.583.2569.

Sincerely,

**Farmers' Market
Association Kingston**
