Thank you for your support!

Dear Community Member,

(Short on time? Skip to the boldface type at right...)

2016 was another year of steady growth at market. Our first Winter Market was a huge success and allowed us to become Kingston's first 100% local year-round market! This new direction serves both farmers and eaters and further builds a sustainable system where healthy local food is available outside of the traditional growing season. We invite you to help us keep the momentum growing strong...

- **Be seen supporting the shop-local economy**
- **Be heard supporting local artists and entertainers**
- **Be noticed supporting the growth of young minds**
- **Encourage healthier choices for your community**

Our 2016 sponsors included:

Black Dog Catering, Friendly Fires, Corcoran Excavation, Go Green Baby, Kingston Community Credit Union, Janati Yoga, School, Making Dreams a Reality; IPC Investment Corporation, Loyalist Area Scouts, Mackinnon Bros. Brewing, Minotaur Games & Gifts, Musiikki Café, Podium Inc., Raw Dog Feed, Rogers & Trainor, Kingston Integrated Health Centre, and Verde Environmental Alternatives, with more coming on each year!

100% of sponsorship funds received are spent on family-friendly live entertainment, games and activities. Overhead and admin costs are covered by us. In turn, we offer you the benefits as described at right.

We are available to answer any questions you have. Contact Jolene at mcfm.marketing@gmail.com or by phone at 613.583.2569.

All the best,

Farmers' Market Association of Kingston
