2019 SPONSORSHIP PACKAGE

Dear friends and supporters,

Short on time? Skip to the boldface type at right —>

2018 was a great year of change and growth at market. We've increased vendor space at Winter Market by staying in the barn throughout the winter months. With your support, together we continue to build a more sustainable food system offering unprecedented access to fresh healthy foods outside of the traditional growing season. We invite you to help us keep this momentum going strong by supporting this valuable work!

- **Be seen supporting the shop-local economy**
- **Be heard supporting local artists and entertainers**
- **Be noticed supporting the growth of young minds**
- **Be known for supporting local food and farmers**

All sponsorship funds received support the development, costs and promotion of the farmers' market including: live music, movement, special events and arts activities. In turn, we offer you the benefits as described at right.*

We are available to answer any questions you have. Contact Jolene Simko at marketing@memorialcentremarket.ca or by phone at 613.583.2569.

Sincerely,

Farmers' Market Association Kingston
