

Dear Friends and Supporters,

Thank you for your support through another spectacular year!

After a very hectic few years, we have returned to running a year-round in-person market, returning to the barn throughout the winter months.

On Sunday May 5th, we will return to the lawn of the Memorial Centre for our twelfth growing season!

We invite you to help us continue to build strong local food infrastructure with your sponsorship.

By becoming a sponsor, your business will:

- Be seen supporting the shop-local economy
- Be heard supporting local artists and entertainers
- Be known for growing a vibrant local food community and economy

All sponsorship funds received support the development, community engagement, and promotion of the farmers' market activities such as performances, food education content, special events, arts, and more!
